The Camden Collection

Camden offers an opulent and timeless style with subtle details that dazzle. The soft black finish is paired with bronze finish hardware and offers a choice of either a soft black nightstand or a contrasting soft white nightstand. Enjoy dynamic features such as built-in USB ports, felt & cedar lined drawers and 3-way touch lighting.

Perfectly Imperfect

The charm of this handcrafted collection lies within the "perfectly imperfect" variations of the natural materials and finishing techniques. Natural variations may continue to develop, adding more character to this one-of-a-kind creation.
