The Harlow Collection

Harlow offers a unique blend of rustic contemporary and industrial design, combining practical faux stone finish tops and clean shapes with just the right finishing touches to provide handcrafted elegance. The saddle finish is warm and rustic harmonizing with a deeper hued grey on the tops and hardware.

Perfectly Imperfect

The charm of this handcrafted collection lies within the “perfectly imperfect” variations of the natural materials and finishing techniques. Natural variations may continue to develop, adding more character to this one-of-a-kind creation.
